

Texas Commission on Environmental Quality

NELAP-Recognized Laboratory Accreditation is hereby awarded to

Analytical Services, Inc.

110 Technology Parkway

Norcross, GA 30092-2908

in accordance with Texas Water Code Chapter 5, Subchapter R, Title 30 Texas Administrative Code Chapter 25, and the National Environmental Laboratory Accreditation Program.

The laboratory's scope of accreditation includes the fields of accreditation that accompany this certificate. Continued accreditation depends upon successful ongoing participation in the program. The Texas Commission on Environmental Quality urges customers to verify the laboratory's current accreditation status for particular methods and analyses.

Certificate Number: T104704397-11-3

Effective Date: 4/14/2011

Expiration Date: 3/31/2012

A handwritten signature in black ink, appearing to read "Mark V. Vilek".
